

Church of the Loving Shepherd

Church of the Loving Shepherd invites you and your family and friends, to spend a few hours with us as we present Rev. Clive Johnson on Saturday, November 11, 2017 3PM- 5:30PM.

The theme for this time is:

“HEAL OUR PLANET AND ALL WHO WALK UPON IT.”

Here are some short excerpts from an article about him from a current interview with Clive in the UK::

“As he prepares to set off across the Atlantic to chart the second leg of his ‘[Labyrinth Around America](#)’ tour, Essex-based labyrinth buff Clive Johnson reflects on what he learned during the first stage of his journey.

‘Perhaps more than at any time I can recall, the journey that began as an idea to take a canvas labyrinth around all border states of the USA, has formed into a journey into the unknown’.”

Listen to Clive as he shares his continuing story about his journey of calling and of the heart.

Following his informal, heart-warming talk ,walk this unique canvas labyrinth that has been with Clive throughout this journey.

There is also a permanent labyrinth on the church grounds that is inviting and offers you further space to walk your meditation, prayer, visions as well as in the chapel .

Labyrinth walking has been in existence for thousands of years.

Labyrinths come in different sizes and types.

The labyrinth can be used to find a solution or to just simply breath and relax .

It is often referred to as a *Walking Meditation*.

Receive and integrate an idea, an inspired realization or a solution you have been searching for.

(It is also well documented that walking the labyrinth can lower blood pressure and stress levels).

Take some time for yourself today to enter the labyrinth again or, as a new beginning!

Donations are appreciated.

Reverend Clive is an Inter-faith minister and open to all beliefs that wish to connect to promote more understanding with each other.

Your labyrinth facilitators will be Inka and Kas are both Veriditas trained labyrinth facilitators. Please direct any questions or information regarding labyrinth walking, future walks or ideas for a personal gathering to either one.

Come and simply enjoy!

Refreshments served after.
